Administration

Mr. Jon Borin has concluded his second year as superintendent of the Springer School System. It is the duty of the Superintendent to manage the financial responsibilities of the district as well as setting the policies for the school system.

Coming to Springer this year from Sentinel, Mr. Rip Tidwell is a man with many duties. It is his responsibility as High School Principal to schedule classes, enforce the policies set by the School Board and to handle all student and faculty problems quickly and smoothly.

Mr. Larry Buck has been Grade School Principal four years. Providing leadership for the young students, he must see that they learn the basic skills to prepare them for the future.

Provides Leadership for Students

The Springer School Board is comprised of five individuals who are elected by the people of the district, and serve a five year term. Their responsibility is to plan and implement policies controlling the school. The many decisions made at the monthly meetings will affect the entire faculty and student body. It is the desire of each board member that every child receives the best education possible.

To make the *Cardinal* the best ever, the staff immediately began work. After attending a workshop, we sold ads to raise money to pay for the yearbook. Taking group pictures and snapshots, we then assembled them on the pages in the proper order. Needless to say, this wasn't easy. Finally, the last page was completed — each picture named, each organization recognized. The history of the 1983-84 school year was recorded in words and pictures.

BETA — FBLA

BETA

The BETA Club is a National Honor Society for high school students with at least a "B" average. This year there are 13 active members. As a money making project, the students sold brass. The profit will be used to attend the state BETA convention in Oklahoma City. The officers are: President, Gumaro Enriquez; Vice-President, Cheryl Allen; Secretary, Maggie Hayes; Advisor, Rip Tidwell.

FBLA

The Springer Chapter of the Future Business Leaders of America has nine active members. The purpose of this organization is to gain more knowledge of the business world. With this in mind, a field trip was taken to Oklahoma City to observe the latest in electronic computers. The officers are: President, Becky Norman; Vice-President, Maggie Hayes; Sec./Treas., Juanda Canada; Reporter, Glenda Hatfield; Advisor, Pat Webb.

FFA

The Springer FFA Chapter has had another successful year with many awards being won at various contests. All chapter members have worked on their money making projects.

The officers pictured are Craig Myers, Sentinel; Connie Sullivan, Reporter; Bonnie Sullivan, Treasurer; Dana Pinkerton, Secretary; Steven Thompson, Vice-President; Gary Montgomery, Advisor. Not pictured is Paul Keith, President.

FHA

The FHA sponsored a week long Pre-School with 13 children ranging in ages from 2 to 4 years. The members were responsible for the coordinating of all activities.

The officers pictured are Roberta Bondurant, President; Nellie Kennedy, Vice-President; Kassandra Nelson, Secretary; Dana Jackson, Historian; Michelle Campbell, Reporter. Mrs. Sharon Hoover is Advisor.

Fired Up

The crowd at the homecoming game was really full of energy and excitement. The High School cheerleaders are: At Top: Nancy Walker, Melissa Barber. Middle: LeAnn Cupp, Robin Hayes. Bottom: Connie Sullivan, Michelle Campbell, Bonnie Sullivan. Standing in Center: Dana Pinkerton.

Club Members in Action

Cafeteria

Opal Branch has completed her 3rd year as a cook at Springer School while Anna Wilson has finished her 16th. The two ladies prepare breakfast and lunch daily for students. The meals they cook contain food from each of the four basic food groups, and must meet the United States Recommended Daily Allowances. Meals must be planned well in advance.

The cooks receive help from a high school student who washes dishes, cleans off tables, and mops the floor.

With all the planning and preparation the lunchroom turns out a good meal everyday.

Maintenance

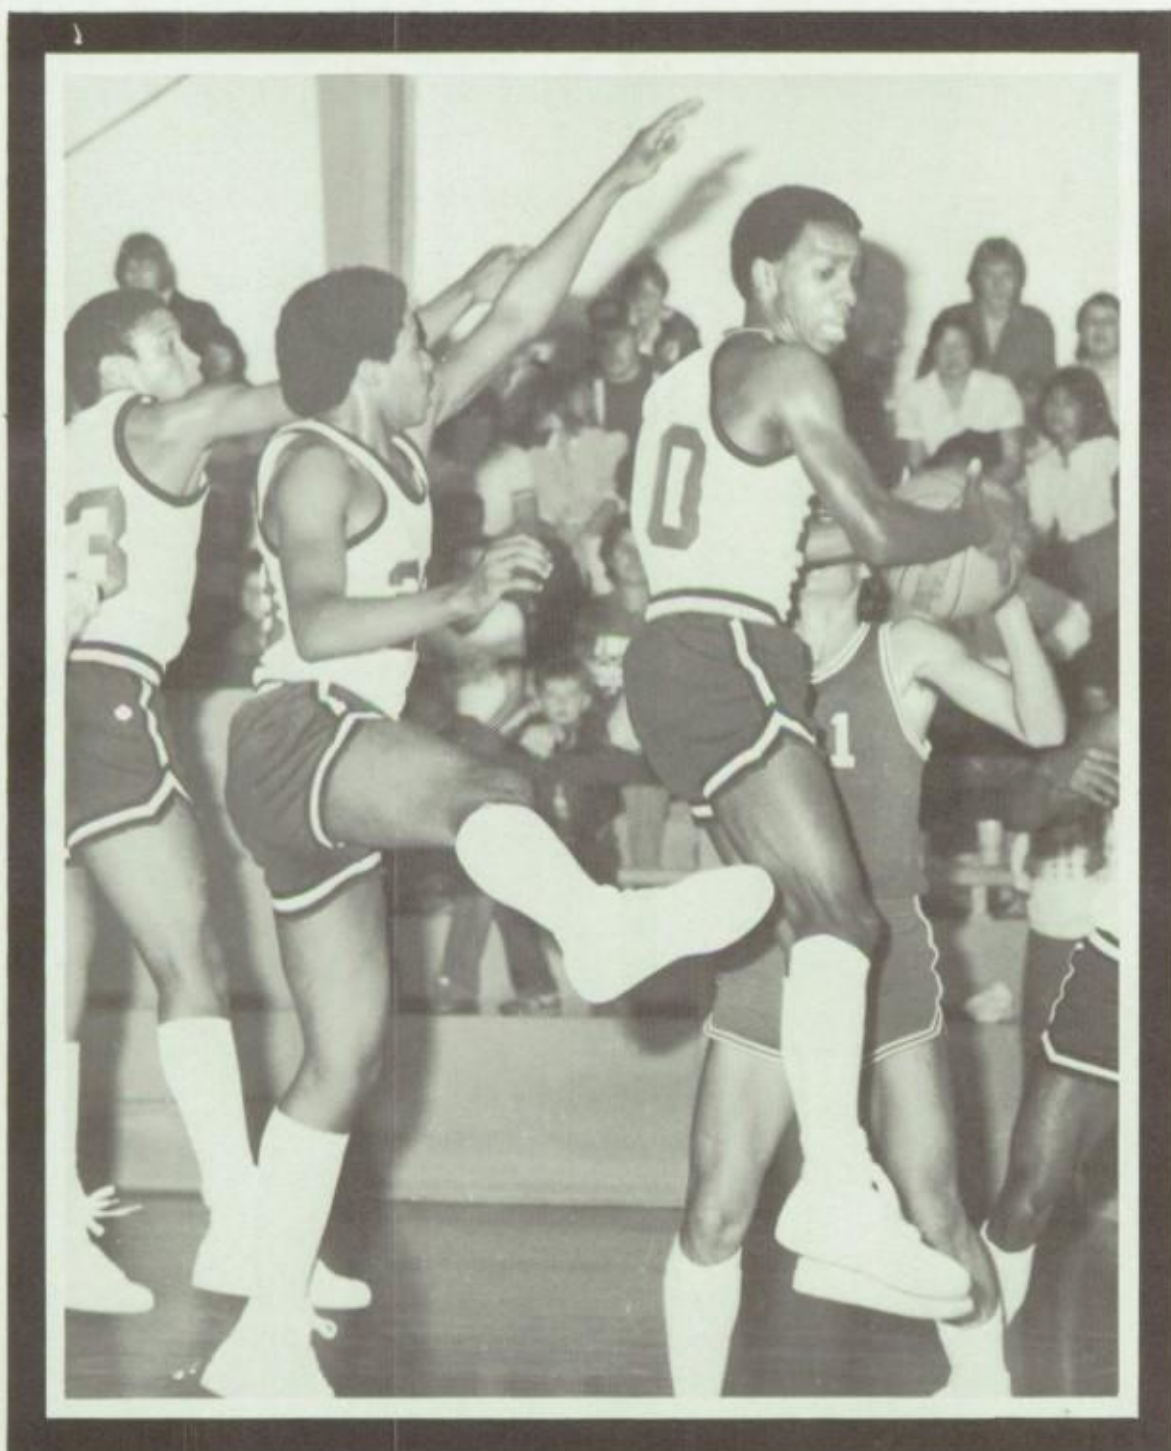

Dale and Bernice Blain are the custodians of the school.

Dale's work day begins many hours before the students arrive. Thanks to him, we have a warm or cool building when the bell rings for class. He then goes on his bus run.

Bernice comes in after lunch to clean the rooms while Dale runs the Kindergarten route and then the afternoon bus run.

All building maintenance is done by the Blain's.

Wrap-Up

The boys basketball team had a most exciting year. Having played some of the best teams in our area, they still had a successful season.

Coach Williams has shown great determination in trying to fulfill the dreams of the Cardinals. It is with his repeated effort that the team can remember the school year of 1983-84 as a very exciting and fulfilling year.

We will be sorry to lose our graduating seniors: Tommy, John, Daryl, Tracy, Darrell, and Harold.

Left to Right: Eric Brown, Hillary Neal, Tommy Hobbs, John Johnson, Mark Smith, Daryl Swan, Tracy Bennett, Kyle Williams, Jimmy Whitener, Victor Neal, Coach Williams. Not Pictured: Glen Taylor, Michael Brown, Arterger Williams.

Sweet Victory!

1. A victory over Mill Creek is celebrated by all team members. 2. Daryl is the leading scorer this season. In this picture he is going up to sink another one. 3. Kyle seems to be having a little trouble with #12, but he made the bucket anyway.

Wrap-Up

The girls have played many strong teams this season. Despite the loss of several starters, they played good ball. Coach Williams and the girls worked many hours on the fundamentals of basketball. Driven by spirit and determination, they can look back on an exciting season.

The team will miss Cheryl Allen and Judy Smith, the graduating seniors, next year.

Top Row: Dana Pinkerton, Nancy Walker, Cheryl Allen, Judy Smith, Cassandra Nelson, Coach Williams. Middle Row: Robin Hayes, LeAnn Cupp, Tracy Stevenson, Suzanne Brightwell. Bottom Row: Bonnie Sullivan, Connie Sullivan.

Working Hard

1. Cheryl Allen #11, gets ready to help out as Tracy Stevenson #20, tries to stop one of Mill Creek's guards. 2. Kassandra Nelson gets ready to pass the ball. 3. Cheryl Allen is driving in to the basket for another two points to make sure the team holds onto their lead.

The 1983-84 school year has passed all too quickly. The yearbook staff has taken a lot of time and put a lot of hard work into making this year's yearbook the best ever. While working on the yearbook, we were motivated by knowing that years from now each one of us can look back on this yearbook as a memento of our school years and relive the memories that only a yearbook can preserve.
